Very good

Perfect timing & content. Learnt a lot.

Variety of topics all relevant

All high calibre

2nd speaker very focused to NHS or onsite service

I enjoyed listening to all 4 speakers plus the exhibitors. One of the best study days I've attended.

I liked the short presentations from the trade reps.

Managing audits. OH risk assessments.

Equality Act. Report writing skills.

Lizzie – excellent but not practical outside NHS.

The presentations were very informative. I particularly enjoyed ‘Why are we scared of MDTs’.

Lizzie’s presentation was only relevant to NHS.

Fantastic day – all excellent speakers and love the addition of the exhibitors. THANK YOU.

Comments:

Chairs are a bit firm so lots of breaks needed. Lovely food. The teabags were good. Plenty of clean cups available, waiter service good.

Thank you to all MD & Hotel staff involved.

Pastries on arrival might be nice.
